PROFESSIONAL SUMMARY

Dynamic and results-driven Amazon Account Manager with 1 year of experience in optimizing product listings, managing PPC campaigns and driving revenue growth on Amazon's marketplace. Proven ability to analyze sales data, improve search rankings and enhance account health. Skilled in inventory management, FBA logistics and ensuring compliance with Amazon's policies. Adept at identifying growth opportunities, resolving issues, and delivering measurable business results.

WORK EXPERIENCE

Rapra Pvt. Ltd. | Aug'2024

- Developed and executed marketplace strategies that helped **increase Amazon sales by 15%+** and improved overall product visibility.
- Managed inventory and FBA logistics for multiple SKUs, maintaining an **average 90% in-stock rate** and reducing stockouts noticeably.
- Optimized product listings with enhanced content, strong keyword targeting and high-quality images, leading to a **10-15% improvement in search ranking and conversions**.
- Led Amazon PPC campaigns, managing daily budgets and keyword bids and improved **ROAS by 20%** through ongoing optimization.
- Analyzed sales performance and customer data to identify trends, resulting in actionable insights that supported product and marketing decisions.
- Maintained **customer relationships and coordinated with Amazon support** to resolve listing and account health issues, achieving timely resolution in most cases.
- Ensured compliance with Amazon policies by **monitoring account health** and proactively addressing potential risks.
- Identified and executed new growth opportunities, contributing to expansion of product offerings and steady improvement in market presence.
